

HOMEWORK 1 - MATH 110

DUE DATE: Friday, September 13

INSTRUCTOR: George Voutsadakis

Read each problem very carefully before starting to solve it. This project is worth 18 points. It is necessary to show your work. Correct answers without explanations are worth 0 points.

GOOD LUCK!!

In this assignment you will be working in groups of 4.

1. Form a team of 4.
2. Choose one of the 15 challenges of Section 1.4.
3. Let me know which one you prefer and get **my approval** that it is acceptable.
4. Prepare a small paper on the challenge and a small 15 minute presentation to present the challenge and its solution to your classmates.
